Submissions: during the registration you need to choose a seminar at **IASEI-WS'2021**. **submitted papers** (6-12 pages) should be written only in English. Submitted papers will be peer-reviewed by four reviewers of the Program Committee on the basis of technical quality, relevance, originality, significance, and clarity. The Program Committee will use these reviews to determine which papers will be accepted for presentation at the conference. The result of the reviewing will be announced to the submitting authors by email, along with reviewer comments, if any. The presentation at the seminar can be done in: Ukrainian, Russian, English.

REQUIREMENTS:

1. Submissions should be original (not published elsewhere partly or in full and not submitted to other venues for simultaneous consideration);
2. Presentation of the papers` results should be made at least by one author;
3. All the papers should fit the IASEI-WS'2021 topics
4. A maximum of two articles per author is accepted.
5. One paper shouldn't have more than five authors.
6. Self-citations should not exceed 10 %.

Publication. Accepted papers written in English will be published as a special issue of the E3S Web of Conferences journal (eISSN: 2267-1242 / publisher: EDP Sciences).

Payments: 60 Euro +150 UAH. (for one paper). The payment is done only after paper`s acceptance by the Program Committee.

DEADLINES: submission deadline: 31 December 2020.

Notification about the acceptance: 10 February 2021.

Workshop date: **19 MAY 2021**.

Venue: State Institution «The Institute of Environmental Geochemistry of the National Academy of Sciences of Ukraine», Ukraine, Kyiv, Akademika Palladina Avenue, 34A.
